Model	Dimensions (L*W*H)	Weight	Power supply	Peak power	Cooling type	Refrigerant	Capacity per batch	Production capacity per hour
PRO V1	550*530*410mm	60kg	single phase 220V 10A 50/60HZ	950w	air cooling	R290	Max 2.75L Min 1.5L	80g/125 scoops
PRO V2	690*720*910mm	150kg	single phase 220V 16A 50/60HZ	1900w	air cooling	R290	Max 2.75L Min 1.5L	80g/250 scoops
PRO V4	1000*920*910mm	295kg	single phase 220V 16A 50/60HZ	3800w	air cooling	R290	Max 2.75L Min 1.5L	80g/500 scoops
PRO V6	1500*920*910mm	360kg	three phase 220V 32A 50/60HZ	5700w	air cooling	R290	Max 2.75L Min 1.5L	80g/750 scoops
PRO V8	2000*920*910mm	460kg	three phase 220V 32A 50/60HZ	7600w	air cooling	R290	Max 2.75L Min 1.5L	80g/1000 scoops
PRO V2C	720*700*2400mm	195kg	single phase 220V 16A 50/60HZ	1900w	air cooling	R290	Max 2.75L Min 1.5L	80g/250 scoops
PRO V4C	1500*920*2400mm	360kg	single phase 220V 16A 50/60HZ	3800w	air cooling	R290	Max 2.75L Min 1.5L	80g/500 scoops

BACK SIDE

CORE FUNCTIONS

Displayable making of fresh ice-cream at the front counter bar area

Dynamic frozen storage with continuous churning program

Direct serve of freshly made ice-cream

STANDARD CONFIGURATIONS

Intelligent touch screen control system, Sophisticated parameter settings for ice-cream, gelato, sorbet, frozen yogurt, granita/slush

Dual control modes for professionals and shop operators (pro mode / auto mode)

Enhanced display with built-in LED spotlights in each pot

Enclosed Self-adaptive ventilation management system

Heat imperceptible ventilation system

Independent refrigeration and motor system for each cylinder

R290 Environmental friendly refrigeration system

German SECOP Compressor

Self-adaptive anti-frozen scraper

Maintenance-free brushless DC motor system

Speed adjustable high power blade

Safety switch on lid for start-stop of the blades

Easy cleaning and drainage

Low power energy saving storage and night mode

OPTIONAL CONFIGURATIONS

Anti fog&condensation system for counter top and lids

Built-in universal spatular holder

Spatular

Protective front glass

Customizable exterior graphic

Accessory kit for cart

carnival gelato.
